Before starting about the courses I would like to take this opportunity to introduce you to Edwin group of Companies. The Edwin companies are an India based consultation firm whose purpose is to share and actively leverage resources to enhance the achievement of their respective missions. We promote, facilitate and support the development of academicians, researchers and our other fellow professional to get accolades for their research and other academic works and contribution they have and are giving to the society.

Edwin Group of Journals are an international double-blind peer-reviewed, refereed and Indexed journals, published in English and Hindi for scholars, practitioners, and students. The Group is welcoming original Research Articles, Book Reviews, Commentaries, Reviewed Articles, Technical Notes, Snippets, Case Studies, Books, Theses and Dissertations relevant to the Journal.

We are the biggest consultant in the India having more than 286 National and International Journals associated with us some of them indexed in Scopus, SCI, and Thomson Reuter etc. We have our presence felt in more than 100 private and 50 Government universities pan India. Along with that we have more than 450 private and government educational institutions associated with us. We at EGJ have a very extensive network and association of our offices across the globe with more than 15 international offices and a very strong domestic network which is present PAN India.
